MEMORANDUM FOR: Director of Central Intelligence  
THROUGH: Deputy Director (Intelligence)  
SUBJECT: Organized Travel of Ethnic Groups

1. This memorandum is for information only.
2. Ethnic group travel from the United States to USSR and Soviet Bloc countries appears to be organized through a wide variety of agencies. Attached is a brief list by cities of such groups known to be travelling at the present time. While this list is not exhaustive, it is believed to be sufficiently inclusive to form a pattern.
3. It is evident from the list that there is no uniform procedure either in promoting, organizing or conducting such groups.

A group of 30 Albanian Americans will return in the near future from a month's visit to Albania sponsored by an Albanian organization known as Likie.

We have learned of a tour of some thirty persons of Armenian extraction about to leave Boston on a tour of Soviet Armenia. Organization appears to be sub rosa, but pushed by the Armenian Progressive which unquestionably had the blessing of the Soviet Embassy. A similar Armenian tour is reported being arranged in Los Angeles and possibly elsewhere. Organizing apparatus unknown. Our source remarks some of the Armenians are old enough to know better.
